

MISSION

Empowering and equipping students for life through Christ-centred education.

VISION

In this vision, we are a school built on a strong Christian foundation where there is a community that teaches students what it means to bring “God’s kingdom to earth’. We are not driven by society but are renowned for placing Jesus at the centre of everything we do.

In this vision, our students are excelling in their education because they are supported and nurtured individually, because they strive for excellence and develop their character. Our students leave our College with a sense of optimism about the future and what God is calling them to. Our students go into the world and serve to the best of their ability in whatever capacity they find themselves, reflecting the values of the College throughout their life.

In this vision, our staff are inspired when working here, they are committed to academic excellence and continuously improving their skills and gifts. Our staff are supported and resourced to collaborate together and go above and beyond to bring out the best in themselves and those around them.

In this vision, we have created a landscape that utilises its physical assets to enhance learning and development, where our technology and infrastructure supports creativity and innovation, where young minds are set free to see the world for all it can be.

In this vision, our community recognises that it is stronger when it works together and is unified in its mission and focus; our community celebrates and finds strength in its diversity because its mission is bigger than any one personality. Our families are excited to be part of the College; they are actively serving and contributing to make a difference. Our College thrives on bringing out the best in its people who go on to influence the world around, for the glory of God.

In this vision, we are Kingsway Christian College.

EDUCATIONAL PHILOSOPHY

Our teaching practice is founded on the belief that the teaching/learning experience is most effective when grounded in active positive student/teacher relationships.

A teacher is much more than a fount of all knowledge, more than a facilitator, more than a provider of skills; but is rather, intentional and explicit in their teaching whilst being able to provide student choice and autonomy where appropriate; can scaffold the curriculum so it is accessible by students, and yet can provide the scope for extension where it is needed; is proficient with traditional pedagogies, but can also utilise modern technologies to motivate and excite students; and is adept both at closely mentoring/tutoring and stepping back to allow independent thought.

Our staff recognise that teaching is both a science and an art, where professional discourse and collaboration are the norm for ongoing development within the classroom and across the College as a whole.

STATEMENT OF FAITH

- One God eternally existent in three Persons: Father, Son and Holy Spirit.
- The sovereignty of God in creation, providence, redemption, revelation and final judgment.
- The Divine inspiration of the original documents of the Bible (66 books); its entire trustworthiness, sufficiency and supreme authority in all matters of faith and conduct.
- The Deity of our Lord Jesus Christ, His virgin birth, His sinless life, His miracles, His atoning death on the cross as our representative and substitute, His bodily resurrection, His ascension to the right hand of the Father, His mediatorial work and in His personal, visible return in power and glory.
- The sinfulness and guilt of all mankind, rendering them subject to God's wrath and condemnation.
- Justification of the sinner by the Grace of God through personal faith in Christ alone, and regeneration by the Holy Spirit.
- The receiving and indwelling of the Holy Spirit at conversion, and His continuing work in the heart and life of the believer.
- The one holy universal church, the body of which Christ is the Head, to which all true believers belong.
- The resurrection and judgement of all mankind: the believer to life everlasting and the unbeliever to eternal damnation.

UNITY WITH STATEMENT OF FAITH

In the interests of harmony within the Association we seek to promote unity in accordance with our Statement of Faith. All other areas of doctrine or issues not contained within the Statement of Faith are covered by grace and are neither promoted nor denigrated within the Association or College.
